

Small Space Laundry Room - Tips for Organization

written by David Cutler | June 14, 2023

Easy Tips to Organize Your Small Space Laundry Room

So your [laundry room](#) is so small it's possibly not even considered a room? Or you have a designated space within your floor plan, but it's not being used optimally. The smaller the space, the greater the need to make the most of it by getting savvy on organization. When everything has a place, not only will you feel ready to tackle the laundry, but eager to face what's often overlooked, even dreaded: the laundry room. If you have a small laundry room, consider these [organization tips](#) at The Closet Works.

Add Functional Wall Storage

A bare wall is a perfect opportunity. If your laundry room space is limited in square footage, consider adding wall storage to make it efficient. With endless options to choose from, we have some great ideas to consider for [getting the most out of your laundry room](#). With smart adds like customized pull out drying racks to Iron-A-Way wall-mounted ironing boards, we help you maximize your small area. Other added

features like [shelves, drawers, racks, and more](#)– are made to suit whatever space you have designated for laundry, even a smaller closet-style design. We work to help you use every square inch so doing laundry is convenient and time-saving.

Use Wall Hooks and More

When you have clothes or larger items that need to air-dry, you need a solution to hang or lay them out. Again, making use of wall space and smaller areas beside or above your washer and dryer are ideal. Check out our array of [wall hooks](#) to customize your design. Don't forget that you can further make this small area more appealing by considering a [complimentary color palette](#) that works with the rest of your home.

Gather Small Items in Bins for Tidy Storage

Bins are a perfect option to gather everything you'll need, from laundry soap to extra cleaning supplies. Our [easy-to-use bins](#) offer you a quick design feature to create needed room for storing. Whether it's additional rolls of paper towels to boxes of dryer sheets to bottles of laundry detergent, bins are great for containing the extras. If you buy in bulk, this solves the problem, too, of where to store those items.

At The Closet Works, our team of professionals can assess and assist you to find the right solution for all your organizational needs. To learn more about [laundry room organization](#) and how a custom solution can transform your home, reach out to us for a [free in-home design consultation](#). Qualified personnel with years of industry experience are

waiting to help answer any questions you may have.
