

WARDROBE CLOSETS

THE CLOSET WORKS INC.

FOR WHEN YOU DON'T HAVE ENOUGH CLOSET SPACE

With hanging space, drawers, cubbies and shelves - a custom wardrobe can provide storage in rooms without closets. These closet organizers can be built to any size or specification in a style that fits perfectly with your space.

DESIGN OPTIONS & IDEAS

Because you're not working within a constructed closet space, a wardrobe closet is a blank slate - you have serious flexibility with depth, width and height. And you have the benefit of all of the same features you would have in any other closet. An array of different options will help you stay organized, fit your aesthetic & provide plenty of storage space. Here are just some ideas that you will love for years to come!

ENHANCEMENTS

- A countertop provides a place to display items or keep things that are frequently used, conveniently in reach
- Consider a tackboard for reminders, artwork, photographs or cards
- Glass inserts can be clear, opaque, mirror or laminated with patterned film

STORAGE SPACE

- Doors designed to your taste will open to reveal hanging space and shelving
- Organize clothes by season, color, outfit, frequency, etc.
- Choose flat or angled shelves, cubbies, or a little bit of each, to keep your shoes tidy, visible and easily accessible

ADDITIONAL OPTIONS

DOOR DESIGNS AND STYLES

Choose to keep items visible or conceal them and add some style to your wardrobe closet with a myriad options for door moldings and center panels. Whether you're looking for a traditional style in a timeless and clean solid White or a contemporary chic with raised panels in high-gloss finish, the combinations are seemingly endless!

CUSTOMER TESTIMONIAL

5 Out of 5 Stars – A beautiful master bedroom double wardrobe...

"Excellent design help, build, and install. I couldn't be happier with final product. A beautiful master bedroom double wardrobe, dresser, shelving, with shoe racks, opaque glass doors... Looks perfect in our new home."

- Leslie S.
