HOME OFFICE DESIGN IDEAS

FUNCTIONAL SPACE

No matter how you use your home office, there are practical solutions available to make your daily tasks easier. Find ideas that are not only functional but create the ultimate space for productivity and style. Each of our solutions are designed and customized for you, no matter if you work from home occasionally or need an office space for 2 full timers. Enjoy working at home again and manage your everyday workload more efficiently and comfortably.

SPACIOUS HOME OFFICE

If you are a full-time work-from-home employee or simply in need of general office space in your home, having endless desk space and storage options is a must. We offer open shelving for items you want to be displayed as well as cabinets with doors to keep important items safe and secure.

THE CLOSET WORKS INC.

COMPACT SPACE DESIGNS

We can create custom designs built to fit your space. We can accommodate small spaces with low or slanted ceilings with deep-set file cabinets in addition to a storage bench that can be used as extra seating for clients. Storage benches offer additional seating while keeping items and documents secure and orderly. If you have a small space to work with, we can work with you!

ONE DESIGN BUILT FOR TWO

When it comes to sharing a space, especially when you and your significant other have your own business endeavors, having room for your own workflow is essential. We create custom desks with individual desk space, drawers, and both open and enclosed cabinets.

HOME OFFICE

THE CLOSET WORKS INC.

CONSIDER THIS:

- Printer placement
- Physical documents and folders
- In-person client meetings
- Additional storage

CUSTOMER TESTIMONIAL

"My husband and I purchased a new home recently and needed to add our personal touch, as well as storage, to our office. Enter Steve from Closet Works. We explained what we needed and wanted, and he delivered it. The installer was very professional and installation took less than a day. We absolutely love the cabinetry! Would highly recommend Closet Works."
